Thank you for inviting us to evaluate the driveways for paving.  
Attached are the proposals for the neighbors. Each driveway is unique and requires different amounts of prep work, so some driveways only have one option while others have multiple options. The different scopes of work you'll see are resurface, resurface with a bridge coat and top coat, and a replacement option. Please, review everything and let us know if you have any questions!

**Tibbs Paving**
